SWHS Parental Involvement Policy

Southwest High School (SWHS) is dedicated to providing quality education for every student in our district. To accomplish this objective, we will develop and maintain partnerships with parents and community members. A positive link between home and school will create the most conducive learning condition for every child.

Parental Involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including and ensuring ---

- A.) that parents play an integral role in assisting their child's learning
- B.) that parents are encouraged to be actively involved in their children's education at school
- C.) that parents are full partners in their children's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their children
- D.) carrying out of other activities, such as those described in section 1118 of the ESEA

For a list of parental volunteer opportunities, Title 1 programs, or workshops/programs offered to parents please contact Southwest High School.
